

## District Site-Based Decision Making Committee Meeting

June 23, 2011 – AGENDA

### 1. Grants and Funding

*Explained how funding is planned for federal and state grants. Title II, Part A is used for class-size reduction and professional development. Private Schools get a small percentage of our Title funds. Asked for suggestions to spend dollars or provide services, none made. Told committee if anyone has any ideas on how funds could be spent within federal and state guidelines to send in e-mail.*

### 2. Parental Involvement Policy

*Went over sample of Parental Involvement Policy, each school has one on their campus. There were no actual parent representatives at today's meetings, but there were three district reps present that have children in school. Asked for parent input; no changes requested at this time.*

### 3. Student Success Compact

*Gave a brief explanation of sample Student Success Compact; it is very basic and gives detailed overview of what the responsibilities are for students, parents, and teachers. If you have any suggestions for changes, please e-mail them to me. No changes suggested at meeting.*
