Monthly Trends—Comparing Year-to-Year – Buildings Report-01-BLDG

Monday, December 5, 2022 3:32 PM (Eastern Standard Time)

A line chart (with data table) that reports on a variety of use and cost types for buildings and organizations. You can chart multiple years by month. Set a variance threshold and have the report automatically highlight abnormal results.

Filters Used

- Data Displayed equals Calendarized
- First Month (1-12) equals 1
- Include Account Charges equals False
- Value Displayed equals Cost
- Account is Active equals True
- Bill is Void equals False
- Billing Period greater than 201712
- Group Data By equals Place Type - Building
