### Welcome to Your Benefit Enrollment for Plan Year 2022-2023

At San Angelo ISD, we know that benefit requirements change. That's why we have an open enrollment period each year.

For most benefits, Open Enrollment is the only time of year you are allowed to make changes in your benefits. Unless you experience some qualifying life event, you will only be able to make benefit changes during the Open Enrollment period. During open enrollment, you should consider the benefits you have today and ask yourself if they will serve you and your loved ones well in the coming plan year.

Benefit enrollment is easy! Just follow these steps.

- First, review and contact the Payroll & Benefits Department to update personal information about you or your covered dependents.
- Review each of your benefit elections and make your choices.
- Sign the Enrollment Confirmation form to complete your enrollment.

Click **Next** to begin.

Press **Next** to review personal information and begin enrollment. **Next**

### Dependents

Click *Add* to add your spouse or dependent children. Dependent children may only be covered in a plan if they meet the necessary requirements defined by the plan. Click the *Next* button when you are finished. Optional items are in *italics*.

**IMPORTANT** - Deleting a dependent from this screen will not remove them from any benefit they are currently enrolled in. To remove a dependent you will need to re-enroll in that benefit.

If you are adding a new spouse or child and want them covered under a plan you are currently enrolled in, please be sure you re-enroll in that benefit. Adding a dependent to this screen does not automatically add them to coverage.

If you are adding a spouse or child to this screen and you intend to enroll them in major medical insurance; please note that **CLAIMS WILL NOT BE PAID** until the Social Security Number is provided for the spouse or child.

Dependents only need to be added as a full-time student if they are aged 18 or over.
